5.01 Short Term Exchange in District 5080

The first short term exchange in D-5080 took place in the summer of 2001 with a girl from Creston, BC matched with a girl from Lissone, Italy. In 2002, 18 D-5080 students were matched with students in 8 European countries; in 2003, 12 students were matched with students in 5 countries; in 2004, 12 students were matched with students in 8 countries; and in 2005, 9 students were matched with students in 6 countries, 2006 was 10 students exchanging with students in 5 countries, 2007 was 7 students matched in five countries.

Purpose

The purpose of the Rotary District 5080 Short Term Exchange Program is:

1. To promote international peace, goodwill and understanding through a Six week family-to-family international exchange.
2. To provide the opportunity for students from within Rotary District 5080 (age 15-18) to experience international travel and spend three weeks living with a foreign host family.
3. To provide the opportunity for foreign students to experience international travel and spend a reciprocal three weeks living with the families of their US/Canadian counterparts.

This program is ideal for students who are looking for an international exchange experience during the summer.

How the Program Works

The program is designed as a family-to-family exchange. A student from within our Rotary district is matched with a student in a Rotary district in Europe. The match is based on the applicant's age, gender, country preference and, to some extent, interests. The US/Canadian student spends three weeks with the foreign student and his/her family, and the foreign student spends a reciprocal three weeks with the US/Canadian student and his/her family.

The six-week exchange period begins in late June or early July and extends to the middle of August. For most of our outbound students, the first three weeks will be spent abroad and the last three weeks will be spent hosting their European counterparts.

Our program provides group travel dates with opportunities for students to travel together. Students may request alternate travel dates, however students traveling on alternate dates will probably not travel with other Rotary students.

Some exchanges may be proposed as "reverse exchanges" with the foreign students coming to the US or Canada for the first half of the exchange.

5.02 Application Process

The application process for short term exchange begins in September. Draft short term applications and country preference form (pages 1- 5 and page 14) and the Short Term Host Family application are due to the local Rotary Club September 30. Clubs should focus on completing long term applications and short term exchange applicants at the same time. Applicants can have a choice.

Submit an initial check for \$250 along with fully completed original signed Short Term Exchange Program Application and Country Preference Document to your local Rotary Club by November 15.

Short term students, like long term students, apply through a local Rotary club. Short term applications are available on the Rotary D-5080 Youth Exchange web site: www.rotary5080ye.org

Clubs should notify short term applicants that completed applications with original signatures and color photographs must be submitted to the club by the end of November. Applicants should be encouraged to answer questions on the application completely (typed or neatly printed) and to follow the instructions carefully. Providing complete responses will help with the matching process.

After the Rotary club receives the completed application, a time and date is set for the club youth exchange chairman/committee to interview the student and parents.

Because short term exchange is a family-to-family exchange, the Rotary club must visit each applicant's home to determine if his/her family is able to host the foreign student.

5.03 Criteria for Short Term Exchange

Students:

1. Students must be at least 15 years old, and not more than 18 years old, when they go on exchange.
2. Students must complete applications and pay program fees by the deadline dates set by the sponsoring Rotary club and the District Youth Exchange Committee.
3. Students will be interviewed and approved by the sponsoring Rotary club.
During the interview:
 - a. The student must convey to the interviewers that he/she is willing to learn about, and adapt to, a foreign family and culture.
 - b. The student must assure interviewers that he/she will devote the three weeks of the exchange spent at home to the visiting student:
 - No summer job
 - No leaving the student home while you go on dates, etc.
4. The student must attend the half-day outbound orientation on the first Saturday in May at Camp Lutherhaven near Coeur d'Alene, Idaho.
5. Outbound students must have a valid passport that does not expire prior to six months after the exchange period ends (February of the following year).
6. Students must agree to abide by all program rules and accept additional rules and guidelines set by the host parents, Rotary club and/or Rotary district.

Parents:

1. Read and understand program rules.
2. Attend interview and allow Rotary members to visit your home.
3. Attend the half-day orientation on the first Saturday in May.
4. Agree to host the foreign student for a period of three (3) weeks.
5. Agree to provide opportunities for the visiting student to experience things beyond everyday life. Activities might include camping, outdoor recreation, sight seeing, sporting events, tourist attractions, theater, museums, road trip, etc.
6. Make sure visiting student is taken to the airport on his/her departure day.

Sponsoring Rotary Clubs:

1. Read manual section covering Short-Term Exchanges.
2. Distribute short-term brochures and applications beginning in September.
3. Collect completed applications by the end of November.
4. Provide a counselor for each short-term student and his/her family.
5. Interview applicants (students and parents). Visit the applicant's home to determine that the family is able to host a foreign student.
6. Invite the outbound student and his/her parents to visit your club prior to his/her departure.
7. Invite both students to visit your club during the time they are both in our district.

8. In the event the host family is unable to complete the three (3) weeks of hosting (due to illness or problems), the Rotary club must be able to provide an alternate host family for the foreign student.

5.07 Program Rules and Conditions of Exchange

- 1) Obey the Laws of the Host Country – If found guilty of violation of any law, student can expect no assistance from Rotary or their native country. Student will be returned home as soon as released by authorities.
- 2) The student may not possess or use illegal drugs. Medicine prescribed by a physician is allowed.
- 3) The student is not permitted to operate a motorized vehicle of any kind requiring a federal/state/provincial operator's license, or to participate in driver education programs.
- 4) The illegal drinking of alcoholic beverages is expressly forbidden. Students who are of legal age in host country should refrain.
- 5) Stealing is prohibited. There are no exceptions.
- 6) Unauthorized travel is not allowed. Students must follow the travel rules of the Host District.
- 7) The student must be covered by a health and life insurance policy agreeable to the Hosting District.
- 8) The student must abide by the rules and conditions of exchange of the Hosting District provided to you by the District Youth Exchange Committee.
- 9) The student must return home directly by a route mutually agreeable to the Host District and student's parents.
- 10) The student shall have sufficient financial support to assure his/her well-being during the exchange. Any unusual costs relative to a student's early return home or other unusual costs shall be the responsibility of the student's own parents/guardians.
- 11) You will be under the Hosting District's authority while you are an exchange student. Parents/guardians must avoid authorizing any extra activities directly to their son or daughter. The Host Club and District Youth Exchange officers must authorize such activities. Relatives in the host country will have no authority over the student while they are in the program.

The specific and most current Program Rules and Conditions of Exchange are included in the Short Term Exchange Program Application and Country Preference form.

Also, please be aware that smoking is strongly discouraged while abroad and not permitted while in District 5080. You may have to explain US/Canadian attitudes about smoking to your European visitor.

5.08 Frequently Asked Questions

Q - Is this a mutual exchange?

A – Yes, a D-5080 student will stay with a European family for 3 weeks. When he/she returns, the European “match” will stay with the D-5080 student’s family for 3 weeks.

Q – Can we request a one-way exchange?

A – No, Rotary District 5080 is not currently offering one-way exchanges.

Q – Can a different family host the European student?

A – Not without a lot of special arrangements made by the local Rotary club.

Q – May my student select which country to go to?

A – A Country Preference Form is provided with the application. Students rank their preferences from 1 to 11. Every effort will be made to match a student with someone in his/her 1st or 2nd choice country, but this cannot be guaranteed. Students should be willing to accept a match in any of the countries offered.

Q – May I request which gender my student may exchange with?

A – Yes, in fact we will obligate ourselves to your choice. The application form contains the following wording: “the family can host: boy / girl / either boy or girl” and you select one of the choices.

Q – What are the host family obligations?

A – In a nutshell, we expect our host families to entertain the European student, to some extent, beyond the normal family activities. Room, board, meals and travel expenses incurred while the European student is here are paid for by the host family. Special outings should also be provided.

Q – What are the responsibilities of the local Rotary club?

A – Rotary clubs are required to interview the student applicant and his/her parents. Clubs must visit the home of the applicant to determine that the family is able to host the foreign student.

Club officers must sign the application at the bottom of page 1, witness signatures on page 2 and complete the club representative section on page 3.

The club provides a counselor for the outbound student and his/her family.

The club invites the outbound student and his/her parents to visit a club meeting prior to departure and invites both students to visit a club meeting during the time they are both in the district.

In the event that the host family is unable to complete the 3-week hosting period due to illness or problems, the club must provide an alternate host family for the remainder of the European student’s stay.

Q – Are the student and his/her parents required to attend an orientation?

A – Yes. The orientation is a half-day event on the first Saturday in May at Camp Lutherhaven, near Coeur d’Alene, Idaho. The student and at least one of his/her parents must attend the orientation.

The short term orientation is held in conjunction with the orientation for students and parents participating in the one-year exchange program.

Q – How much money should the student take on exchange?

A – This will be decided by the student and his/her parents. It is recommended that the student take at least US\$150 for personal expenses. The host family will not be providing any personal spending money for the student.

Q – Can my student depart from a different airport?

A – We are asking that students depart from Spokane International Airport if at all possible. We want to have our students travel in a group, but we will try to plan itineraries that are convenient for students and their families.

Q – My student has graduated from high school. May he/she still apply?

A – Yes, as long as he/she meets the age requirements. (Cannot be older than 18 when he/she leaves on exchange.)

Q – Can a student participate in this program more than once?

A – Yes, and they may apply for the One-Year Exchange Program as long as they meet the age requirements of that program.

Q – Whom do I contact for additional information?

A – **Vice Chair, Short Term Exchanges** (see the Contact page of www.rotary5080ye.org for contact details)

Q – Where can I get program brochures?

A – D-5080 Short Term Exchange brochures are included on the District 5080 Youth Exchange website, www.rotary5080ye.org

FYI - Full color “generic” Youth Exchange posters and brochures are available in the RI Catalog.

Q – Can I get someone to do a program on Short Term Exchange for my Rotary club?

A – Yes. Please contact the **Vice Chair, Short Term Exchanges** (see www.rotary5080ye.org Contact page)
