

Short Term Country Preference

The Rotary District 5080 Short-Term Exchange Program offers students exchange opportunities in the countries listed below.

Please rank the countries from #1 to #11, with #1 being the country you would most like to visit and #11 being the country you would least like to visit. Every effort will be made to find you a match in one of the countries you would most like to visit, but there are no guarantees. You should be willing to accept a match in any of the countries ranked.

If you are absolutely not interested in an exchange to one of the countries listed, please write "NO" in the box and do not include it in your ranking.

Austria	Italy
Belgium	The Netherlands (Holland)
Spain	Denmark
Sweden	Finland
Switzerland	France
Germany	

The Rotary District 5080 Short-Term Exchange period is a 6-week block of time, with 3 weeks spent abroad and 3 weeks spent at home. We offer exchanges to the countries listed above because these countries have a summer vacation schedule similar to ours in the US and Canada.

I agree to accept whatever country assignment I am given:
